

TREE CITY USA CERTIFICATION

INSTRUCTIONS

DEADLINE FOR SUBMISSION

December 1, 2006

SUBMIT APPLICATION & ATTACHMENTS TO:

Meridith Perkins, Community Forestry Coordinator

Division of Forestry, Fire and State Lands

PO Box 145703

Salt Lake City, Utah 84114-5703

Dear Applicant City:

In an effort to simplify the **TREE CITY USA Application** and **Recertification** process, we have enclosed step-by-step instructions and worksheets to help you develop the information required. Our hope is that using them will make it easier for you to complete the application for **TREE CITY USA**. Please note, you must still fill out and sign the official **Tree City USA Application** (which is enclosed) and the associated completed worksheets. *If your community is currently a Tree City USA you will need to fill out the "Recertification" form; if this is your first year in the program you will need to fill out the "Certification" form.*

One of the great strengths of the **TREE CITY USA** program is that it encourages and recognizes long-term commitment to community forestry. After becoming a Tree City, annual recertification provides an opportunity for each **TREE CITY USA** to review its program and to tell the National Arbor Day Foundation and us just how well your city is doing.

Your **Tree City USA** applications are enclosed (only fill out the one applicable to your community); you can also download a form at the National Arbor Day website, www.arborday.org. Please send in the completed application as early as possible, but not later than December 1, 2006. This will allow us sufficient time to review applications and forward them to the State Forester for his signature by the end of December.

When preparing your application, remember to include information for each of the four standards, as listed on the Tree City Application. I have enclosed a checklist for your use to assure your application contains the necessary attachments.

If you have any questions, please do not hesitate to contact me at 801.538.5505 or meridithperkins@utah.gov. Thank you for cooperating with the requested December 1st deadline.

Sincerely,

Meridith McAvoy Perkins
Community Forestry Coordinator

FOR APPLICATION OR RECERTIFICATION

STANDARDS #1 & 2 WORKSHEET

STANDARD #1 ~ TREE BOARD OR DEPARTMENT

A Tree Board (Committee or Commission) is the group of citizens charged by ordinance to develop and administer a tree management program, for trees on public property, in their community. Instead of having such a Board, some communities have a department, such as a City Forestry Department that fulfills this role.

For Standard #1 please indicate (here or on application):

If Tree Board is responsible for program:

Date Tree Board was established (if first-time applicant):

Names of 2006 Tree Board Members:

Dates the Board has met in 2006:

If Department is responsible for program:

Date Department was established (if first-time applicant):

Name of Department:

Name & Title of person holding position in 2006:

STANDARD #2 ~ A COMMUNITY TREE ORDINANCE

Communities are required to have passed a **Tree Ordinance** and to submit a copy of that ordinance with the TCUSA application. First-time applicants should also indicate the date the ordinance was established. Those applying for recertification DO NOT need to attach an ordinance unless it has changed.

**For Standard #2 please check appropriate boxes on application
and attach copy of ordinance, if required**
